

2021 Saint Patrick's Virtual IN-n-About Brewery Event
March 13, 8pm to 10pm

While we are starting to see light at the end of the Covid-19 tunnel, we are still not to the point where we can load up the Bus for an In-Person Out-n-About. To keep with our history of doing a Saint Patrick's Brewery Outing, we will be leveraging a virtual event being hosted by Rock Star Beer Festivals.

The plan is for those wishing to attend to purchase their ticket with Rock Star who will then deliver 8 craft beers and 2 whiskeys curated by the fine Celtic folks of Khoury's beer, wine, and spirits. Guests can expect flavors ranging from Irish Reds to Dark Irish Stouts along with 2 different 50ml Whiskeys including Skrewball Peanut Butter Whiskey.

The Out-n-About team will coordinate a Zoom meeting during the event where we can get together (virtually) and chat while watching portions of the official event from Rock Star.

Location of event: ZOOM

Date/Time: March 13, 8pm to 10pm

Cost of event: \$50 (40 + 10 shipping) samples should be enough for two people

Note: Purchase of the sampler set is not required to attend. If you would like to be part of the evening Zoom session without beers, do let us know via the email address above.

Getting your beer:

Delivery can be made to any city in the state of California, Oregon, Washington, Nevada, and Arizona. You must be 21+ to accept the delivery. Deliveries will be made 2-3 days before the event. (Someone will need to be at the address to sign for the package)

The package contains 8 full beers and 2 X 50ml bottles of Whiskey. It is made for 1-2 people. 1 person if you are a huge beer drinker. 2 people, if you are a moderate beer drinker. Please put your beer package in the refrigerator once it arrives.

While Rock Star will send a video link via email to you a day before the event, our plan is to have Out-n-About participants attend a Zoom Meeting that will be shared ahead of the event. You can still stream the formal event locally if you wish, but we plan to incorporate it into our Zoom session.
